

KEEGAN IS MUDDY MARVELLOUS

MICHELLE GETS DIRTY

The *Coronation Street* beauty ditches her glad rags for a session at bootcamp

Bottom right: Michelle looks as though she's enjoying every minute! Inset: Michelle - with fellow *Corrie* actress Jennie McAlpine - is *Inside Soap's* Sexiest Female

Gorgeous Michelle Keegan told us last week that she, like most girls, has body hang-ups. 'I have loads,' she said. 'My bum and my thighs are too big because my top half is tiny, but I think all girls have that problem at this age.'

Not that any of that stopped the 21-year-old *Coronation Street* star from wearing an über-short Lipsy dress at the *Inside Soap* Awards, which she joked would fly right up like a blind if someone were to give the hem a tug!

Michelle, who was named *Inside Soap's* Sexiest Female, has also said she's not the kind of girl to indulge in hard fitness training, but that didn't stop her toning up at the GI Jane Bootcamp in Sittingbourne, Kent, under the eye of a hunky Marine instructor. Organiser Sharon Smith said: 'Michelle really got stuck in and was covered in mud after one session, but that was part of the fun.'

Don't go thinking the *Corrie* lass is going all size zero on us, though. She tells us she loves food and isn't the type to go without her treats! 'If I want to eat something, I'll eat it,' she said. 'I love junk food such as chips, gravy and mushy peas, and I'll always have a pudding. I love anything stodgy!' **OK!**
